

Amelia Earhart's Last Flight

Red River Dave McEnergy

C C7 F G7 C G7

C F
A ship out on the ocean, just a speck against the sky
G7 C
Amelia Earhart's flying out that day
C F
With her partner Captain Noonan on the second of July
G7 C C7
Her plane fell in the ocean far away

Chorus

F C
There's a beautiful beautiful field
G7
Far away in a land that is fair
C C7 F
Happy landings to you Amelia Earhart
G7 C
Farewell, first lady of the air

C F
A half an hour later an SOS was heard
G7 C
The signal weak but still her voice was brave
C F
In shark-infested waters, her plane went down that night
G7 C C7
In the blue Pacific to a watery grave (Chorus)

C F
Now you have heard my story of that awful tragedy
G7 C
We prayed that she might fly on safe again
C F
In years to come when others blaze a trail across the sky
G7 C C7
We'll never forget Amelia and her plane (Chorus)
