1.

Am C  
A black hatted Potosy-vanian spy name Boris sat one day,  
Am C Am  
Waiting for moose and squirrel to come along their way,  
Am  
When all at once his radio did crackle from the air  
F Am  
And Mr. Big was heard to say "Boris are your there?"

2.

Am C  
You must kill moose and squirrel today as ordered from on high  
Am C Am  
Or else I will see to it that Natasha and you die  
Am  
For Moose and squirrel are a danger to our country's evil plan  
F Am  
For someone's got to do it and Boris you're our man.

4.

He tried to use some poison, a bomb and then a gun  
 But the Pot-sylvanian agent could not get the killing done  
 Natasha said "Oh *Darlink* why not let me have a try"  
 She caught the Moose's focus .with a wink of her evil eye
