INTRO: **A7 - D7 - G (x2)**

G Am D
Lovely hula girl, I'm in a whirl
G
Crazy over you.

Am D7
In your lovely hands, All of my plans
G
Promise to be true.

G E7 A7
Lovely hands that seem to say, Happiness will pass away
Em A7 Em G Am D7
So share all the love we may send, Caring not how it will end.

D7 Am D7 G
Sunset is aflame, Burning your name, In the skies above.
Am D7 G
And the silent night, Shines with the light, In the eyes I love.

G E7 A7
All the things I ever knew, All the world is only you
Am D7
Whirling in the dance you do.

G **(A7-D7** (Go to the top & repeat the song)
Lovely hula girl. **Turnaround)**
