

My Shoes Keep Walking Back To You by Bob Wills and Lee Ross

C  
I must say that I don't care  
G7  
Hold my head up in the air  
C G7  
Even tell my friends I'm glad that you don't call  
C  
But when the day is through  
G7  
My heart aches start a new  
C G7  
And that's when I miss you most of all

**Chorus** C G7  
And my arms keep reaching for you  
C  
My eyes keep searching for you  
C7 F  
My lips keep calling for you  
G7 C  
And my shoes keep walking back to you

C  
No matter how much I pretend  
G7  
I wish I had you back again  
C G7  
Cause nothing else means half as much as you  
C  
Our world just seem to die  
G7  
The day you said good-bye  
C G7  
And I can't forget no matter what I do

-Chorus-

G7 C  
And my shoes keep walking back to you
