

# Catch The Wind

Donovan Leitch

Intro: G C D G D

In the chilly hours and minutes of uncertainty  
I want to be in the warm hold of your loving mind  
To feel you all around me  
And to take your hand along the sand,  
Ah, but I may as well try and catch the wind

When sundown pales the sky I want to hide a while  
Behind your smile, and everywhere I'd look, your eyes I'd find  
For me to love you now  
Would be the sweetest thing, 't would make me sing,  
Ah, but I may as well try and catch the wind

Deedee, dee dee deedee, dee dee deedee, dee dee deedee, dee de dee

When rain has hung the leaves with tears I want you near  
To kill my fears, to help me to leave all my blues behind  
For standin' in your heart  
Is where I want to be, and long to be,  
Ah, but I may as well try and catch the wind  
Ah, but I may as well try and catch the wind
