Drunken Sailor –Am---G-

What shall we do with a drunken sailor

- Way, hey and up she rises

Sling him in the long boat till he's sober

Giv'im a dose of salt and water

Shave his belly with a rusty Razor

Stick him in the scrubber with a hose pipe on him

That's what we do with a drunken sailor

C – Am – F – G7

Blue moon – you saw me standing alone – without a dream in my
heart Without a love of my own.

Heart and Sole, I fell in love with you, Heart and soul, the way a
fool would do, Madly... Because you held me tight, And stole
a kiss in the night...

When I want you – in my arms – When I want you – and all your
charms – Whenever I want you All I have to do is Dream,
Dream, Dream.

Earth angle, earth angle, Will you be mine – My darling dear –
Love you all the time – I'm just a Fool – A fool in love with
you.

Twenty six miles across the sea – Santa Catalina is a-waitin for me
– Santa Catalina, the island of romance, romance, romance

Angle Baby – My Angle Baby - It's just like heaven – being here
with you – You're like an Angle - Too good to be true – But
after all – I love you, I do – Angle Baby – My Angle Baby

Santa Baby, just slip a sable under the tree for me – - - I've been an
awful good girl, Santa Baby – So hurry down the chimney
to-night.

Mrs. Brown you've got a lovely daughter – Girls as sharp as her
are something rare.

I'd like to be... Under the sea in an... octopuses garden in the...
Shade... He'd let us in... knows where we've been, in his...
octopuses garden in the... shade.
